C. Reading Comprehension (12 Marks)

5) Read the following passage, then answer the questions:

Apples are the best kind of fruits. They come in three colours. They can be red, yellow or green. Lots of other fruits come in only one colour, like oranges. An orange can only be orange. Apples make the best snack. They are crunchy and sweet. You can bite right into an apple and enjoy it right away. You can't just bite into an orange. You have to peel oranges first. You can make other foods from apples, such as a pie or a cake. But oranges are mostly taken as juice. Remember: "An apple a day keeps the doctor away."

A. Choose the correct answer from a, b, c, or d:

1- With apples you can make
a) other foods b) orange juice c) some fruits d) hot drinks

2- We can say that the writer
a) dislikes apples b) prefers oranges
c) likes apples d) peels oranges

3- Many other fruits have
a) colours b) just one colour
c) many colours d) no colours

B. Answer the following questions:

4- What are the colours of apples?
5- What does the underlined word "They" refer to?
6- Give two differences between apples and oranges.

6) Read the following and fill in the form below:

Most of the students in my class prefer French, but my favourite subject is English. We have English lessons five times a week. Our teacher of English is a wonderful teacher because he is kind, skilled and patient. Although he gives us lots of homework, many of the students like and respect him.

Students prefer	My favourite subject	Number of lessons a week	Reasons for loving the teacher	Amount of homework	Students' feelings
...(1)....(2)....(3).....(4)....	...(5)...	...(6)....
